**The Filling Station** (Feeding the Hungry on the Streets). This is a great big thank-you to all of you who helped with giving us the ability to provide enough food for all our friends who came along. Not only was there plenty of sandwiches, but lots of extras including a selection of homemade bread pudding and rock buns, boxed cakes and chocolate bars and biscuits all bagged up and enough for everyone - what a treat! Can't do it without you. It is a real blessing to be able to do all the shopping that is needed. Thankyou to all who give, both actual foodstuff, financial gifts and also those who give of their time to make all those sandwiches. *Lois*

A few months ago, I became Chairman of **Swindon Commercial Chaplaincy**, a local charity (set up by local churches including Methodist) who provide chaplains for retail premises (large & small) in Swindon.

Our number one aim is: the advancement of the Christian religion in Swindon and the surrounding area by continuing to provide and develop industrial and commercial chaplaincy providing advice and training to churches and faith groups in other urban and country areas to set up their own chaplaincies.

Like all charities we are always pleased to receive financial donations but our greatest need at the moment is people resources i.e. chaplains.

If you are wondering what God is calling you to next, maybe it is as a chaplain. If you are interested, then do please call me for more information. *Adrian*
