Celebrate the Bible with *Open the Book* - we are hosting a joint celebration of the Bible with St Bartholomew's Church at **3.00pm on Saturday 24 October**, the day before **Bible Sunday**. Our local ***Open the Book*** team will be sharing several stories from the Bible, and there will be an opportunity for anyone who wants to join in the action! **All are welcome.** The service will probably last for just under an hour and will be followed by refreshments. Louise

The Filling Station - a big thank you to you all for the generous gifts of tins and toiletries given at last week's Harvest Service. They will be given out to the clients who attend **TFS**. John

Bath Road Methodist Church is hosting the annual *Christians in Science* Conference on **23 and 24 October**. The theme of this year's CiS Conference is 'Enjoying Science', and it will explore the latest scientific advancements across a range of fields, reflect on what it means to be Christians in the sciences, and rejoice in God's gift of science to all creation. For more information about the Conference and *Christians in Science*, and to buy tickets for the Friday and the Saturday, visit <https://cis.org.uk/events/>
