Scarecrow Trail: 20 - 28 September - the Infants School near our church is raising funds with a community project. This year each sponsoring builder will create a 'scarecrow' on a theme of 'Games'. Families buy a form from the school and have fun following the trail around the town guessing what game each 'scarecrow' represents. The prize goes to the family with most correct answers in the shortest time.

I have taken the liberty of offering our church front garden to house a few of the scarecrows for the week. One of these will be a scarecrow of our own choosing. I have chosen our own theme and have started to assemble various components for the construction of our own scarecrow.

If you would like to get involved in the construction of our exhibit, or the display and maintenance of all the exhibits on our premises throughout the week, I would be delighted to hear from you.
